Our Founder

She was a visionary & pioneer in establishing the very first private higher educational colleges in Uttar Pradesh. She was awarded the Outstanding Entrepreneur by Federation of Indian Chambers of Commerce (FICCI) for her contribution in the field of Education.

She was also the recipient of numerous awards from the Government of India & UP. Her dedication to ensure India has access to quality and affordable education, led to over 25,000+ students passing out from RBMI Group of Institutions and are pursuing their dreams all around the world. We will always be inspired by her vision & would **thrive to peruse her mission!**

Late Mrs. Veena Mathur

1948-2021

Our Managing Director

“Desire is the key to motivation”, but it’s the determination and commitment an unrelenting pursuit of your goal, a commitment to excellence - that will enable you to attain the success you seek”

RBMI Group of Institutions has maintained its distinct position in the field of quality education. We take pride in informing you all, that we are celebrating 25 + glorious years of excellence in the field of higher education.

In our institutions, we specially focus on all round development of the students. We provide opportunities to the students to manifest their inner abilities and to groom their personality. At RBMI Group of Institutions we are determined to shape our students as thinkers, professional and proud citizens of the world by focusing on:

- **Development & Training** to be ready for Placement & Start up’s
- **Learning by Doing**
- **All Round Development with Fun Activities.**

- Industrial Interaction – more focus on learning by doing

DEPARTMENT OF PHARMACY

The health sector of India is upgraded in last few years. Health professionals of the country are trained in new technology based medical equipment's/ software's, to provide basic health facilities in every nook and corner of the country. Pharmacy is one of the branches of medical Science in which the manufacturing, formulation/ development and Quality Control of Medicines (including Studies related to drug interactions), Clinical & Pharmacological evaluation, New Molecule discovery and Marketing/ Distribution of Drugs is thoroughly delivered to budding medical professionals.

The department of Pharmacy offers:

- Bachelor in Pharmacy (B.Pharm.)
- Diploma in Pharmacy (D.Pharm.)

DEPARTMENT OF ENGINEERING & COMPUTER APPLICATION

Engineering is challenging and exciting. If you want to design the model provided by science combined with innovative thinking to solve problems and create new designs that benefit humanity, then engineering is the correct choice. Today computing and computer technology touches every moment of our daily lives from the use of smart phone, cars we drive, to the movies we watch, to the ways businesses operates with the underlying communication, network & security. Expertise in computing enables to solve complex & challenging problems to bring positive technical differences in the world.

The department of Engineering & Computer Application offers:

- B.Tech. in Computer Science Engineering
- B.Tech. in Civil Engineering
- B.Tech. in Electrical and Electronics Engineering
- B.Tech. in Electronics and Communication Engineering
- B.Tech. in Mechanical Engineering
- Master of Computer Application (MCA)
- Bachelor of Computer Application (BCA)
- Diploma in Electrical Engineering
- Diploma in Mechanical Engineering (Production)

DEPARTMENT OF MANAGEMENT AND COMMERCE

The department is committed to impart excellence in education, training, internship, placement, research and development and consultancy in the field of Management. The RBMI department of management and commerce offers access to world class faculty and a 25-year-old network of esteemed alumni, opportunities for experiential learning and hands-on real-life projects. It is not just a matter of imparting syllabus bound education rather it is a matter of imbibing corporate skills instilling self-confidence and a right mindset into our students to make them ready for the corporate world.

The department of Management and Commerce offers:

- Master of Business Administration (MBA)
- Bachelor of Business Administration (BBA)
- Bachelor of Commerce (B.Com.)
- Bachelor of Commerce (Honours) (B.Com. (H))

DEPARTMENT OF TEACHERS EDUCATION & APPLIED SCIENCES

The purpose of education is to develop critical thinking skills, knowledge of political, economic, social and cross-cultural forces and events among the students to shape our world. The department is determined to create an open environment for the students so that they can act as active learners and understand how societies function in local and global settings. The department of Education and Applied Sciences integrate Human values with a holistic education to ensure all round development of students through innovative curriculum and co-curricular activities. B.Ed. program of the department which is two times NAAC Accredited, **First Self Finance B.Ed. college of UP** & listed under 2(f) & 12(b) under Section of UGC Act.

The department of Teachers Education & Applied Sciences offers:

- Bachelor of Education (B.Ed.)
- Master of Education (M.Ed.)

- Bachelor of Science (B.Sc. (ZBC))
- Bachelor of Science (B.Sc. (HSc.))

DEPARTMENT OF NURSING

- Department of nursing focuses on training healthcare professionals who are exceptional, ethical, and compassionate. WHO estimates a projected shortfall of 18 million health workers by 2030 in such a job market situation where there is an acute shortage and expecting an increase in demand, taking up nursing as a career after 12th is a great option for students.

The department of Nursing offers:

- Bachelor of Science in Nursing (B.Sc. Nursing)

Mission:

The mission of the **STEM@RBMI** is to improve student experience by engaging them in Innovative Science, Technology, Engineering and Math instructions.

Vision:

The RBMI Group of Institutions will provide a continuous pathway of education through opportunities that create STEM-literate graduates ready to accept the challenges of advanced education beyond course curriculum to meet the needs of future workforce.

In addition to fostering in-depth knowledge of math and science, a **STEM@RBMI** increases achievement by equipping students with: Critical and Analytical Thinking Skills Proficiency at solving non-routine problems High-Level Communication Abilities Project Management Experience Teamwork and Leadership skills.

WHY STEM?

- STEM education emphasizes with a concept-driven approach that would strengthen students' analytical knowledge and problem-solving abilities.
- Lack of proper teaching materials and the absence of interactive learning, have created a dark side in students mind regarding maths and science. Which results into under-qualified students graduating year after year who struggle a lot with the increased competition in the real world.
- Report from 2011 records told that two-fifth of employers are unsuccessful in finding employees with the required prowess in STEM education.
- The consequences are clearly emphasizing the need of promoting STEM education in India.

What we do under STEM**STEM Clubs:**

Clubs are a great way to get students excited about STEM. These clubs aim to develop practical skills, thinking skills, social skills such as cooperation and leadership to improve the employability skills of the students.

STEM Quiz:

Aims to inculcate a spirit of scientific enquiry and analytical thinking amongst the students.

STEM Carnival:

The participants of Quiz will participate in our national level STEM carnival. An RBMI initiative to cultivate the student's interest in STEM and develop their potential, to enhance their competitive traits.

**“Where people aren’t having any Fun,
they seldom produce good work”**

- David Ogilvy

At RBMI Group of Institutions we follow the policy of 360-degree development of our students and give them a Fun Environment with academics. The core objective is to energize students & improve their productivity to drive motivation, passion, and engagement in an innovative way of learning to develop the positive mindset.

We at RBMI Group of Institutions believes in the philosophy that fun encourages communication, collaboration & have positive interaction to enjoy time with fellow collegemates to build Trust & healthy relationship.

Institute also runs many clubs for students to give holistic development such as:

Sports Club, Dance Club, Music Club, Drama Club, Technical Club, Soft Skills Club, Health & Wellness Club, Wealth Management Club and many more.
